Milwaukee, Wis.

Dear Sir:

We are in receipt of your inquiry of recent date, as to the price we ask for multigraph machine.

Let me explain to you our proposition -- We purchased the machine for the purpose of getting out our club paper "Badger ARRL News". The work mostly fell to one - Mr. Fred W. Catel, 711 Kenwood Blvd - where the machine is at the present time. The paper was turned over to a publisher recently but fell through. At the present time we have no further use for the machine and it is a white elephant on our hands. The machine is not entirely paid for and ask that the balance of the payments be made and in addition \$50.00 (fifty dollars) be paid to us for our holdings in the machine. We have since purchased quite a bit of extra type and feel as though we are losing but as we have not any further use for the machine we feel as though it is a justifiable loss.

If you are further interested in our proposition you may call on Mr. Catel at aforesaid address or 'phone him at Lakeside 146.

Hoping to hear from you further, we are

Yours very truly,  
THE MILWAUKEE RADIO AMATEURS' CLUB, INC.
